EMENTA

A disciplina tem como finalidade familiarizar com o mundo da produção científica universitária e extra-universitária e ensinar habilidades e ferramentas pelas quais o estudante de doutorado poderá articular seus temas e trabalhos de pesquisa para transformar os mesmos em projetos para captação de auxílio, publicação em revistas científicas, apresentação em congressos e eventos científicos em forma de comunicações orais e posters, e apresentação de pesquisa em concursos públicos e no exercício do magistério. Para tanto a disciplina tratará dos seguintes temas:

1. Contexto de Produção Acadêmica: O Capitalismo Acadêmico e suas implicações para desenvolvimento de pesquisa científica
2. Ética na Pesquisa nas Ciências Humanas versus Ética nas Pesquisas Biomédicas
3. O Mundo do Financiamento e Desenvolvimento de Projetos de Pesquisa
4. Transformando pesquisas a artigos para revistas científicas
5. Apresentando pesquisa científica em posters para congressos
6. Apresentação Oral de Pesquisa Científica em Congressos e Palestras
